

What Is a Scam?

A scam is a dishonest scheme to get money or something of value from someone.

Scams can happen to anyone.

1. Scams often happen over the phone.
2. Scams often happen through email.
3. Scams often happen through social media.

Scams can happen to anyone, but there are some signs that can help you recognize a scam. If you see any of these signs, it may be a scam.

Scams often happen over the phone, through email, or through social media.

- × Scams often happen over the phone.
- × Scams often happen through email.
- × Scams often happen through social media.
- × Scams often happen through text messages.
