

TRUST BUT VERIFY

You don't have to get suspicious of everybody. You add one step.

BEFORE ANY MONEY MOVES

1 Look up the number yourself.

Not the number they gave you. The one on your card or statement.

2 Call the person yourself.

Hang up first. If it was real, they'll still be there.

3 Wait a day.

Real problems survive a night's sleep. Scams don't.

THREE SIGNS TO STOP

- It came to you — you didn't start it.
 - It moved you fast — fear, worry, or a deadline.
 - It wants a transfer — money, a code, or your computer.
-

NEVER, NOT ONCE, NOT EVER

- × Nobody legitimate is paid in gift cards.
 - × Your bank will never ask you to move money out of your bank.
 - × Never read a text code out loud. Not to anyone.
 - × Nobody comes to your home to collect cash, gold, or valuables.
